

The Regiment, on this the 1st day of March 2008, have lowered our flags to half-mast to pay our respects to one of our own who has left us.

Mr Charles Edward Pond passed away on the 24th of February 2008.

Charles joined the Regiment at age 19 to fight in the Korean War. Following the war Charles began his civilian career with Wardrop Engineering and later went into the trucking industry as an owner/operator. An avid outdoorsman, Charles enjoyed hunting, fishing, boating, snowmobiling and RV activities despite the severity of the injuries he suffered during the war.
