

25th Anniversary of the Battle of the Medak Pocket

Overview of Scheduled Events and Activities

7 September 2018 - Opening and Sunset Ceremony

The opening of the 25th Anniversary of the Battle of Medak Commemorative Weekend begins with a Better 'Ole Meet and Greet in the evening. This informal atmosphere will offer a relaxing setting for veterans to gather and recollect. Further, it will provide a central staging point from which to transition to the Sunset Ceremony, the day's main event.

8 September 2018 - Family Day and Inaugural Medak Open Golf Tournament

The second day's events focus on the community with activities planned with support from local organizations. The Family Day activities include military weapons and vehicle displays from local units, historic era equipment from the RCA Museum, and MFRC/PSP bouncy castles as well as games.

Also on the 8th, 2 PPCLI and the CFB Shilo Golf and Country Club will also host the Inaugural Medak Open Golf Tournament, where each hole highlights a period of military history. Throughout the day, the Better 'Ole will offer a location to gather for food and refreshments.

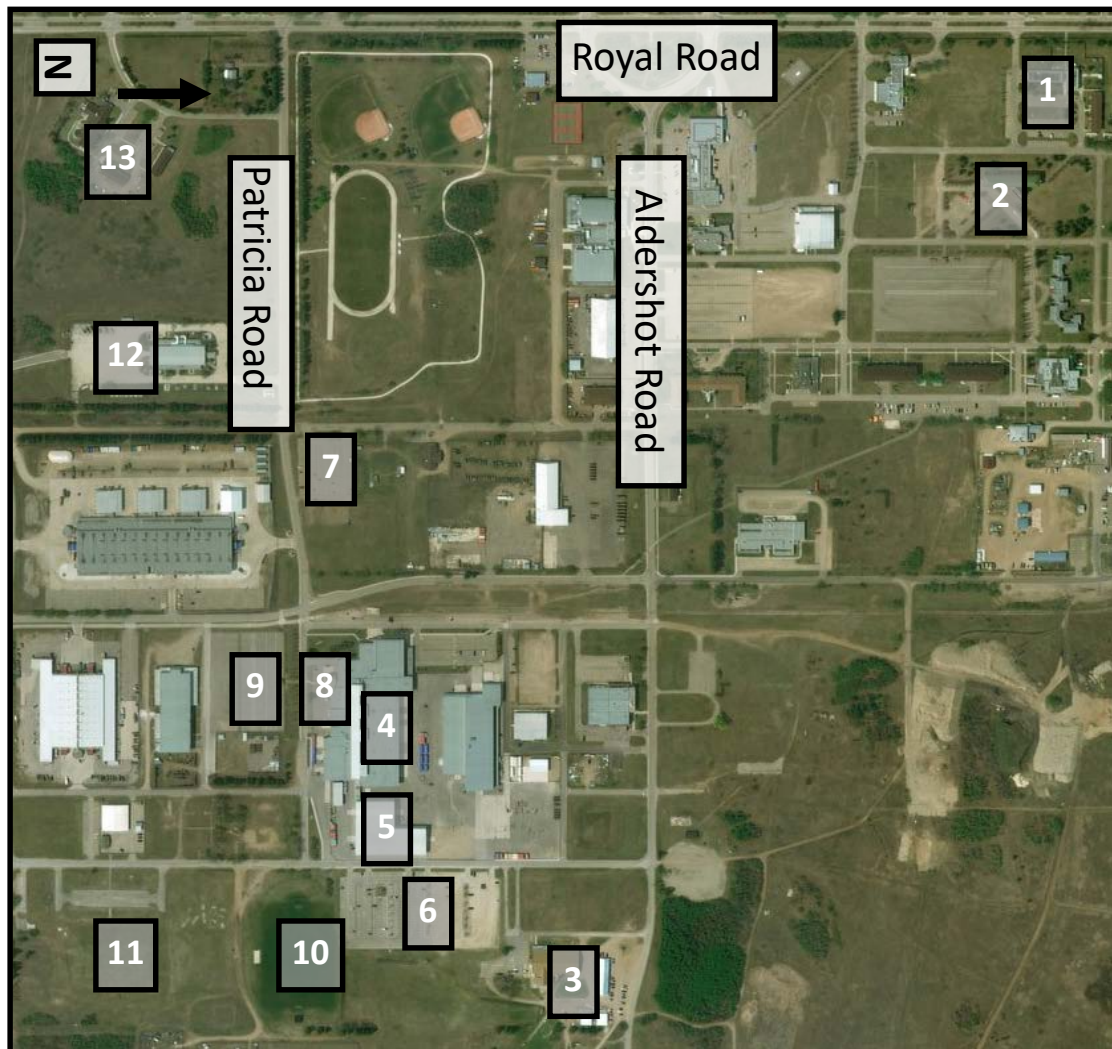

9 September 2018 - Commemorative Parade

The final day wraps up the weekend with a Commemorative Parade. The parade will include the reading of the Commander-in-Chief Citation, speeches from the Guest of Honour and VVIPs, prayer and benediction, as well as a form-up and march-off of the Old Guard (Medak Veterans). Please note that a post-parade reception will follow in the Better 'Ole.
