Princess Patricia's Canadian Light Infantry Regimental Guard fonds. – 1977-2016. – 67 cm of textual records. – 15 audio cassettes.

The Regimental Guard of Princess Patricia's Canadian Light Infantry (PPCLI) was established in the fall of 1977, as a result of the development of a new regimental Constitution by the Regimental Executive Committee. The Guard held its first meeting on December 10, 1977. It consisted of senior officers, serving or retired, of the rank of Lieutenant-Colonel or higher, and a representative of the PPCLI Association. Its functions were to formulate the policies of the Regiment, develop and review long-range planning, and initiate special projects. It generally meets semi-annually.

The fonds consists of minutes, agendas, sound recordings of meetings, correspondence, reports, directives, constitutions, and statements of goals and objectives.
