GAULT "SKILL-AT-ARMS" TROPHY

The founder of the Regiment and Honorary Colonel, Brigadier A. Hamilton Gault, DSO, ED, CD, is presenting a trophy to foster interest in and improve the standard of marksmanship with infantry weapons.

The Trophy will be awarded annually to the rifle company of the Regiment possessing the highest standard on annual classification in: rifle, light automatic, grenade, rocket launcher and machine carbine.

The Trophy will have a rectangular wooden base with metal maple leaves to carry the inscription of the winners. Each corner of the base will have a metal figure about six inches high: a mortarman, parachutist, soldier in Arctic clothing and soldier firing the rocket launcher. News of Our London Mother Via

MAJOR P. O. STAYNER, CD School of Infantry, Warminster

"I returned yesterday from visiting Jenny Macgregor Morris and am happy to at last give you a report.

I found her in most tremendous heart and indeed it is difficult to remember she has been so sorely ill. She is a woman of great energy, kind heart and a seemingly uncanny memory for names, dates and all men and matters 'Patricia.'

She has a very comfortable little house in Gorleston-on-Sea. It has belonged to her family since about 1910 and she moved there following the marriage of her lone surviving brother, Willie. She has now lived there continuously since 1946. It is a charming house furnished from her old home and packed with gifts, mementoes and pictures of her long association with the regiment.

She is an old and highly regarded resident of Gorleston; I was impressed with the affection and respect which a large number of townsfolk greeted her with, on the occasions we were out walking.

I do hope you will make known, through the medium of the Patrician, her remarkable recovery from her illness and her unfailing good spirits. She is a very brave soul and a true old soldier. Her love for the Regiment and all its members is deep, sincere and touching in the extreme."

First Battalion Report

FIRST BATTALION REPORT

Since our last report, the Battalion, we are proud to say, has upheld the excellent record of the Regiment in training, sports and competitions as well as in the social whirl.

We are now preparing for the SOLTAU Concentration 14-27 Aug, 56, which will be followed by COM MONWEALTH V and SPEARHEAD.

Our Small Arms Team is preparing to represent the Bde in the LeClerc International Small Arms Meet to be held 20-23 Aug, 56, and the Inter-Allied Inter-Service Rifle Meet to be held 24-25 Aug, 56, at Sennelager. Our Cross-Country Team under 2/Lt. Hunt is going all out in preparation for the Bde Cross-Country Meet to be held on 10 Oct, 56.

From our achievements, we can truthfully say that the Battalion is in tip top condition, morale is high and all tails are up.

17 Mar, 56

In warm spring sunshine we paraded at 0815 hours 17 Mar, 56, to hear messages of congratulation on the "Regimental Birthday," the anniversary of the birth of the Colonel-in-Chief, the Lady Patricia Ramsay. At 0915 hours the traditional Broom-i-loo games began on the watery ice of the garrison rink. The Officers vs. Sergeants game ended in a draw, and the sergeants were subsequently entertained at the officers' mess. Inter-company games resulted in the championship going to Support company. Much "moosemilk" was consumed and everyone enjoyed the "do."

In the evening successful Balls were held in the officers' and sergeants' messes and a Men's dance raised the roof in the mess hall.

On 6 Apr, 56, the Brigade Stretcher Bearer Competition was held at Muschede. The team of two Stretcher Squads won by a decisive margin over other Infantry units of the Brigade.

Brigade Commander's Annual Inspection

On 18 Apr, 56, Brigadier R. Rowley, DSO, ED, Commander, 2 Cdn Inf Bde Gp, accompanied by his team of experts, inspected the Battalion. All phases of unit activity were closely examined and the commander was satisfied. The guard and Battalion parades received special comment. It is with pride that we report that the inspection fulfilled the Patricia tradition. In honour of a job well done, all ranks were granted Saturday morning, 21 Apr, 56, as a holiday.

Visit of the CGS

On 2 May the CGS visited the Battalion. After morning coffee, he was conducted through the barrack rooms, company stores and offices. He then watched the guards in training on the square in preparation for Trooping the Colour. The CGS expressed himself as well satisfied at the way in which the Battalion was upholding the fine tradition of the Regiment and of the Canadian Army.

Trooping the Colour

Trooping this year took place on 15 May. Originally it was planned that the Lady Patricia Ramsay would review her First Battalion. However, due to illness she was unable to attend. The disappointment of the Battalion was tempered by the acceptance of the beloved founder, Brigadier A. Hamilton Gault, DSO, ED, CD to review the Battalion.

Brigadier and Mrs. Gault arrived with Lieutenant-Colonel H. W. Niven, DSO, MC at Dusseldorf on 14 May and were met by the Commanding Officer and a Guard of Honour of 100 men, commanded by Major J. R. Koensgen, MC.

The traditional Mess Dinner was held on 14 May, attended by Brigadier W. G. Colquhoun, CBE, MC and Colonel N. G. Wilson-Smith, DSO, MBE, CD.

15 May proved to be a wonderful day, bright and sunny, with a light breeze blowing. Six guards, each of 54 men were formed up on the square by the RSM. The edge of the square was lined by some 3,000 spectators; Canadian, British, Belgian and German. Several members of the new German army, the Bundeswehr, were present in uniform.

Following the ceremony, Lieutenant-Colonel Niven presented the Canadian Forces Decoration to Brigadier Gault.

A tea party was held on the sports field immediately following the ceremony, and during the evening Brigadier and Mrs. Gault attended the Men's Ball, the Sergeants' Ball and the Officers' Ball.

BAOR Small Arms Meet

On 11 and 12 May, 56, 2nd Cdn Inf Bde Gp Small Arms Meet was held to decide which unit would represent the Brigade in the BAOR Meet during the week of 4 Jun, 56. The Battalion won the right to be representatives by taking first in all matches, except LMG, and ran a close second in that.

From a unit standpoint, the BAOR Meet was a success. Our young soldiers placed sixth, the old soldiers were 17th, and the LMG team came 12th.

Individually PPCLI made their mark on the records of the British Army of the Rhine. Pte. Hansen "C" Company, not only won the championship for Corporals and below, but tied for second best rifle shot in the Rhine Army.

Brigade Pistol Competition

During the week before the Brigade Skill-at-Arms Day, it was obvious that officers and warrant officers intended to win the Pistol Competition. Every night the team would rush to the ranges from the dinner table and empty a few magazines into the figure targets.

As the day of the competition progressed we found that the RCEME squad of four was our big worry and as we began to shoot, excitement ran high. The Commanding Officer was the last to fire, and at this point we found we needed 30 points to win. The Commanding Officer made 30 points!

The Battalion was represented by 36 NCOs and men in the Brigade Sten Competition. Although the team did not win, they edged out 1 RCR and trounced 1 R22eE. Sgt. Vallance, J. F., turned in the high Battalion score just a few points behind the top man in the competition.

The Safe and Skilled Driving Competition

The Battalion team is to be congratulated on the fine showing made in 2nd Canadian Infantry Brigade annual Safe and Skilled Driving Competition held in Normandy barracks at Sennelager, Germany, on 31 May and 1 Jun, 56.

Pte. Bagg, M. G. and Pte. Lavigne, J. F., Pte. MacEachren, N. and CFN MacMurdo, E. A. comprised the team, trained and coached by Sgt. Shine, R. C. As a result of the effort put forth, they managed to place fifth within the Bde, well ahead of all other major units.

Cfn MacMurdo, E. A., a former Patrician now on strength of the unit as RCEME vehicle mechanic turned in an excellent performance, placing fifth as an individual within the Bde.

Battalion Map Using Competition

The Map Using Competition was held in Sennelager on 29 May, 56.

"D" Company entry came out on top with "B" and "Sp" tied for second. These three teams represented the Battalion in the Bde competition held 31 May, 56. Our entry finished fourth in the Bde competition.

A platoon of 31 all ranks under Lt. G. M. Kirby and Sgt. Camponi, C. L., completed the 10-mile course in 1 hour and 56 minutes, beating the R22eR time by 6 minutes and the RCR time by 11 minutes.

Dominion Day Festivities

Dominion Day was celebrated on 30 Jun in the Dortmund Sports Arena. It was, without a doubt, the biggest military sports and recreation programme ever attempted in Germany by this Bde. The morning was devoted to running off the finals of the Bde track and field events. This was followed by a "Tattoo" in which all units of the Bde took part. The finale was a most impressive sight which saw 1 PPCLI in conjunction with a troop of guns from 4 RCHA fire a Feu de Joie. Three hundred officers and men under command of Major J. R. Koenzen, MC, comprised PPCLI contingent. Comments made by senior allied officers indicated that it was one of the most impressive sights of the year.

A Midway was situated immediately outside the stadium with each unit responsible for the running of one or more booths.

The major PPCLI attraction was a Western Exhibit of cowboys and Indians with the inevitable chuckwagon and our Steamboat's Elastic Band. Lt. R. B. Muir, Sgt. Thurn and L.cpl. Chorney are to be congratulated for the success of this exhibit.

To support the Western theme, a Unit food booth sold Atomic Western Fritters and to complete the effect, a gambling Casino run by Lt. R. J. Gillis paid dividends.

1956 Bisley Meeting

A team of eight all ranks competed in the annual meeting of the National Rifle Association from 9 Jul - Jul, 56, at Bisley camp, Surrey. Surrey.

Capt. H. Moncrief, CD, Lt. R. S. Peacock, Lt. B. F. Simmons, S.sgt. Frolek, R., CD, Sgt. Vallance, J. F., Pte. Hansen, K. W., Pte. Shepherd, D. E., Pte. Viberg, A. T.

Sports Report

Since our last report, sporting news from Germany has not been of the best. First Battalion teams have not emerged first in any of the sports we have participated in although we have been tough opponents.

The Bde championship in hockey went to 4 RCHA as they defeated us in the final game by a score of 7-5. Though we could hardly call it a popular win, the Gunners certainly deserved the laurels, as they overcame a two-goal deficit in the last period much to our dismay. However, plans for revenge have already been made and with a year's experience behind them the team is now pointing for that final game in 1957.

In the Dominion Day Track and Field Meet at Dortmund we placed second to the RCR, in a meet which saw all but two of last year's 1 Cdn Inf Bde records broken. Our team set new records in the 400m and 1600m relay while Pte. Lunde, "C" Company set a new broad jump record with a leap of 19' 5½". Outstanding athletes on the track team were Pte. Leighton, "C" Company,

2/Lt. G. Watson, "A" Company, Pte. Muszynski, "C" Company, L.cpl. Bryant, "C" Company, Pte. Mark, "C" Company and Lt. G. Kirby, "B" Company.

The Battalion track and field meet held 9-10 Jul, 56, was won for the second consecutive year by "C" Company. Their runners, who filled most of the positions on the Battalion team, completely dominated the track events while "A" Company athletes led by 2/Lt. Watson and Pte. Ulm showed up very well in the field events. The softball trophy was won by HQ Company with a team composed mainly of the Signal Platoon. They had to overcome the stubborn resistance of "A" Company to take the honours. "C" Company with their two stars, Zoboski and Muszynski and Capt. H. Moncrief won the volleyball competition eliminating "A" Company in the final match. "A" Company's tug-of-war team, coached by 2/Lt. G. Meloche and captained by L.cpl. Hathaway, pulled all comers around the sports field to win the tug-of-war cup.

The soccer team got off to a shaky start losing their opening game 3-1 to the RCR but under the steady hand of Sgt. Vallance, Sp Company, they improved greatly and lost only one more game, this to 1 Fd Sqn RCE by a score of 5-3 at Sennelager. The team ended the season with a record of 10 wins and 2 losses, which placed us third in the 13-team Bde league behind the RCR and RCE who tied for first place. The team's outstanding player was centre-forward Pte. Kearsely, BHQ, who on three occasions scored the "hat track" in league matches. He was ably supported by Pte. Leentvaar, "B" Company, Pte. Hickey, "B" Company, and Pte. Lafonde, "A" Company.

The Inter-Company soccer final provided very keen competition when "A" Company and "D" Company met. The first final game played in a downpour after three 10-minute overtime periods was drawn 2-2 and forced another final to be played. After a two-week lapse, the two companies went at it again and "A" Company came from behind to defeat "D" Company 3-1 and win the Soccer Cup.

Our softball team, though adeptly handled by 2/Lt. A. Sim, "C" Company, and Sgt. Camponi, "B" Company, has just completed a dismal season. Unable to practice regularly because of almost continuous Westphalian dew and forced to play on diamonds that resembled sloughs, the team only won one game and lost 5 to finish in the cellar of the major units league. There were some bright spots, however, in the fine catching of Sgt. Thurn, "D" Company, and the steady pitching of Pte. Bird, "B" Company, and Pte. LeClair, "A" Company.

At the present time there are two events to run off, the Brigade Tennis Tournament and the Brigade Cross-Country Run. In both the Battalion has strong teams and we have not given up hope of winning the Brigade Grand Aggregate Trophy. If we don't win it, "then wait till next year."

Activities in the Officers' Mess

Since our last look at Mess activities in February, many interesting and memorable events have taken place.

The week-end of the Colonel-in-Chief's Birthday was its usual tremendous success with a mess dinner on the 16th, a broom-i-loo game

on the morning of the 17th, Officers and Sergeants party afterwards and a formal ball in the evening. All the Regimental officers from the Brigade attended the mess dinner and official guests from BAOR units were invited to the ball. Decorations, though simple, were in keeping with the theme and excellent music was provided by the RC Sigs Band.

Little need be said about the Broom-i-loo game. A comment by one of the local inhabitants sitting in the stands: "It looks like a Roman Arena," summed it up nicely. The melee ended in a tie as did the party afterwards.

April was relatively quiet in comparison, but a very enjoyable dinner-dance was held.

Our big month of course, was May and in every way it was a great success. The Trooping was held over the 14th, 15th and 16th beginning with the traditional mess dinner.

The mess dinner was an impressive occasion and our new silver candelabra, cutlery and table mats certainly complimented a fine dinner.

The Trooping Ball was beyond all expectations. Picture the huge tent filling the parking area—coloured lights, thousands of streamers and other fascinating decorations, a generous portion of the Signals Band and of course the beautiful gowns of the ladies with their escorts in formal military dress from different nations and different services. All this combined with a fifty-foot long buffet fit for kings made the evening a truly magnificent occasion not to be forgotten.

Soon after the Trooping we were off to Sennelager for a couple of

weeks and until the end of June the Mess took a breather while many officers were on leave.

On 29 Jun a Dominion Day Dance was held. Bolstered by the Menden Quintet, a few of the "younger fellows" provided a bit of tomfoolery and before long the party was well under way.

General G. R. Pearkes, VC, DSO, MC and Mrs. Pearkes paid us a visit on 12 Jul and attended a luncheon in their honour.

A mess dinner was held on 3 Aug in honour of our second in command, Major John Koensgen, MC who had to say "so long" to the unit to find a new desk at Bde HQ. The dinner also honoured Lts. G. M. Kirby and J. S. Upton, who left a few days later for Canada to attend university.

Sergeants' Mess Activities

The Trooping Ball was held at "Hotel Buchenwaldchen," Iserlohn, on 15 May, 56, some 300 guests attending.

We were honoured with the presence of Brigadier A. Hamilton Gault, DSO, ED, CD and Brigadier R. Rowley, DSO, ED and their Ladies.

18 May, 56, brought a happy reunion in the Mess Lounge with the presence of The Director of Infantry Colonel N. G. Wilson-Smith, DSO, MBE, CD.

Herr Otto Hegel-Emden and Herr Walter Ballauf, members of the Mess, presented the Battalion with a painting of World War I. The occasion took place at Gasthaus Otto Hegel-Emden in Iserlohn on 13 Jun, 56. 12 members were present

On 30 Jun, 56, Ladies were at home to their husbands, under the

able supervision of A/RSM Mrs. Linklater, A/PMC Mrs. King and Committee of Mrs. Rossiter and Mrs. Maule. This smooth working team prevented the gentlemen from making any purchase or entering the bar. The turn-over was alarming. Single members never had it so good (all 4 of them).

The Ladies revelled at having the privilege of the bar. Little did they know a hidden tape-recorder installed by QMS Quaintance picked up all conversation!

The new committee took office 1 Jul, 56: PMC, CSM F. L. Mack, Treasurer; S.sgt. Buxton, R. G. DCM and Secretary, Sgt. Erfurt, A.

On 11 Jul, 56, the mess viewed a film of the Grey Cup final, 1955.

28 Jul, 56, found the mess decked out for a hard time dance. Blue jeans and patches being the mode. A side attraction was the old goat (not Devlin). Lanterns and candles supplied the lighting effects and music was provided by the unit's own Steamboat Elastic Band.

Guests for the evening were Herr Otto Hegel-Emden and Frau, well-known by many members of both Battalion messes.

Corporal's Room

The Corporal's Room is proud to announce that we are organized and the Junior NCO's are showing their appreciation by attending all functions and daily openings.

Types of functions we have had so far consist of Bingo, dances, dart tournaments, and stag nights, etc., and plans for the future are the aforementioned, plus bowling, crib

tournaments, hay rides and ladies' nights.

The present dart champions are Cpl. Grouette and L.cpl. Gibb. They received an over-sized dart called the rig-a-dart-do. In the Ronson lighters competition the runners up, Cpl. Dolinsky and Cpl. Swanson received billfolds. The ladies' dart champions were Mrs. Hatcher and Mrs. Redden. Congratulations to all winners from the Corporals' Room.

Congratulations to Cpl. Redden and L.cpl. Stewart who were recently married in our army chapel.

Nijmegen Four-Day Marches

One of the biggest International Events the unit has taken part in was the Nijmegen Four-Day Marches, held at Nijmegen, Holland, 24-27 Jul, 56.

Two Patricia teams represented Canada as one of the seventeen nations attending the Marches. The two teams commanded by Lt. G. M. Kirby and Sgt. C. L. Camponi respectively, did an excellent job.

The Four-Day Marches were not competitive. Each team was only required to complete approximately 25 miles within eleven hours each day.

On the final day there was a march past. The Canadian contingent marched into the city behind the RCCS Band and a large Canadian Ensign. Medals were then presented to each member of the teams.

Second Battalion Report

U.S. CITATION RIBBON

From a Report issued by the Directorate of Public Relations (National Defence), Ottawa and published with permission of the Editor,
Canadian Army Journal

The ribbon of the United States Presidential Citation, awarded to Second Battalion, Princess Patricia's Canadian Light Infantry, for gallantry in Korea in 1951, is to be worn by past and present members of the unit.

The citation was made to the battalion by General James Van Fleet, then Commander of the United States Eighth Army, on behalf of President Harry S. Truman in June, 1951. The honour, unique in the history of the Canadian Army, was given for "extraordinary heroism and outstanding performance of duties against the enemy" near Kapyong, Korea, 24-25 Apr, 51.

The blue and gold insignia, one and three-eighths inches by a half-inch, will be worn on the sleeves of both arms immediately below the Regimental flash.

Second Battalion already recognizes the citation by carrying a streamer on its Regimental Colour. The streamer is blue with the word Kapyong inscribed in white block letters.

Men who were on strength of the unit at the time the award was made will be entitled to wear the ribbon for all time. Personnel who have joined the unit since will wear the insignia as long as they are with the unit but must remove it when posted elsewhere.

When supply arrangements are completed, Patricians will have two separate forms of insignia. One

will follow United States pattern and will consist of a type of brooch, pinned to the sleeve, and worn on orders of dress requiring frequent laundering, such as bush clothing. The second will be of blue and gold cloth and will be sewn to uniforms, such as battledress, service dress and the like.

Members of 3rd Battalion Royal Australian Regiment, who received the same award for the Kapyong engagement, are already wearing the insignia.

Second Battalion PPCLI and the Australians were fighting as part of the 27th Commonwealth Brigade at the time. PPCLI was the only Canadian battalion in Korea at the time and the 1st Commonwealth Division had not yet been formed.

The citation honoured both units for "gallantry, determination and *esprit de corps* in accomplishing their missions under extremely difficult and hazardous conditions.

"By their achievements they brought distinguished credit on themselves, their homelands, and all freedom-loving nations."

With a U.S. tank company, the two Commonwealth units were credited with blunting and halting a deep penetration which endangered the entire United Nations line in the central sector. Their stand was believed to have been decisive in the final defeat of the Communist spring offensive of 1951.

The citation adds: "The seriousness of the breakthrough on the central front had been changed from defeat to victory by the gallant stand of these heroic and courageous soldiers."

Editor's Note: The insignia is now in wear by Second Battalion, past and present.

THIRD ANNIVERSARY

The Depot celebrated its third birthday in Edmonton with a steak dinner in the Men's Mess on 1 Jun, 56. This annual unit function was observed as a holiday. The Colonel-in-Chief, the Honorary Colonel and Founder of the Regiment received greetings from all ranks.

On Friday, 1 Jun, 56, third anniversary of the Depot, the Alberta Government declared a state of emergency in the White Court and Edson forest fire areas. The following day, PPCLI Depot was ordered to despatch 100 men to the Edson area to replace civilian fire-fighters "dead on their feet" after more than ten days with little rest. This group was joined by parties from LdSH (RC), 1 AB Tp RCE and QOR of C Depot, making a total of 300 men. Major W. H. J. Stutt, CD, Chief Instructor, PPCLI Depot was placed in command of all troops.

On 10 Jun, 56, all fires were under control and the troops were withdrawn. The General Officer Commanding, Major General C. Vokes, CB, CBE, DSO, CD issued the following special message:

"I wish to convey to all ranks PPCLI Depot who were turned out for duty, fighting the serious forest fires in the Edson area, my congratulations on a job well done.

The manner in which the troops went about their work and their cheerfulness and willingness drew praise from the Provincial Forestry authorities and all other civilians with whom they came in contact. This duty has been a good experience for those concerned in

Annual General Meeting, 1956

The Annual General Meeting of the Association was held in Calgary, Alberta, at Currie Barracks on Sunday, 10 Jun, in the Queen's Own Rifles of Canada Officers' Mess.

Lt. Col. S. C. Waters, commanding officer Second Battalion, acted as chairman. There were present: Lt. Col. R. P. Clark, DSO, executive member from Vancouver; Major H. G. Munro, honorary secretary; Lt. Col. A. H. Fraser, DCO, CD from Vancouver; Majors A. M. Mills, CD and H. A. Snelgrove of Second Battalion; Mr. George Mackintosh of Edmonton; Mr. A. F. Huff of Calgary; and Mr. J. T. Pittis of Toronto. The following gentlemen were represented by proxy: Brigadier A. H. Gault, DSO, ED, CD; Brigadier W. G. Colquhoun, CBE, MC; Brigadier C. B. Ware, DSO, CD; Lt. Col. T. de Faye, MBE; Major C. M. McDougall, DSO; Major A. T. Smith; Captain O. Gardner, CD; Captain A. M. Campbell; Mr. E. W. Harris; Mr. W. Buchan; Mr. Geo. Harrison; Mr. Fraser M. Gerrie; Mr. P. C. Klaehn.

The General Committee elected the following officers to the Executive Committee:

Chairman: Brigadier W. G. Colquhoun, CBE, MC.

Secretary: Major H. G. Munro.

Treasurer: Captain O. Gardner, CD.

Chairman of the General Committee, Brigadier W. G. Colquhoun, CBE, MC holidaying in Europe, sent the following message to the annual meeting.

"As Officer Commanding in 1939 I well remember how thankful I was that we had a strong organization behind us, especially Winnipeg, Victoria and Vancouver; and how the Winnipeg club raised \$6,000.00

for our comforts fund a week before we left.

The branches continued to function in high gear throughout the war providing comforts whenever called for and, what was most important, looking after the dependents of our fighting troops.

This was good for morale as a man at the front knew that his family would be looked after by kindly and sympathetic Patricia's in case of need and he had no worry in that respect.

It is our duty to keep our Association a going concern so that we can swing into action at a moment's notice and those of us who reaped the benefit in the past must hand it to future generations of Patricia's.

Greetings and best wishes to you all."

Following the meeting Lt. Col. S. C. Waters and the officers of Second Battalion entertained members of the Association at lunch.

The annual meeting was held on 18 May when twenty-four members were issued with association membership cards.

Mr. F. C. B. Henstridge, secretary, 620 Mitchell Avenue, Town of Mount Royal, Quebec, has forwarded annual dues for 1956.

REPORT FROM CHAIRMAN OF THE EXECUTIVE COMMITTEE

During his holiday in Europe, Brigadier W. G. Colquhoun, CBE, MC, visited World War I fields of battle.

"We went to Ypres today. (22 June, 1956). I was again amazed with the number of PPCLI names on the tablet inside the gate. I counted them twice—544.

St. Eloi is very little changed and I found the remains of 'The Mound,' the 'Patricia' crater and 'Shelley' farm.

The cemetery at Voormezele is very well kept up and they are putting up a new wall with a white stone slab as coping, which will be very effective.

I was able to find traces of trench 21 and 22, the scene of Jim Christie's activities."

The Brigadier and Mrs. Colquhoun have returned to Victoria.

NOTICE

The Secretary now has Association membership cards which are available to all branches at a cost of three dollars per hundred.

Branches of the Association are reminded that nominal rolls for 1955, together with annual fees, are now overdue.

The Rifle Brigade

REGIMENTAL MARCHES

The Rifle Brigade

"I'm Ninety-Five"

This is the Regimental quick step of the Rifle Brigade. It was arranged for march tempo from an old song by the "music master" of the First Battalion in 1842.

The original words were:

"I'm ninety-five, I'm ninety-five and to keep single I'll contrive. It's pins and needles, needles and pins for when a man marries his trouble begins."

It proved very popular with all ranks and was adopted as the official Regimental march in 1852. (Prior to this date the Huntsmen's chorus from the opera "Der Freischütz" was the quick step).

The tune of "ninety-five" was a great favorite of Her Majesty Queen Victoria. So much so that other regiments began to encroach.

Commenting on this in 1868, the commander-in-chief, HRH The Duke of Cambridge said: "I have always

desired the discontinuance of such a practice and I hope the gallant Rifles will not have cause to complain again in this respect. Whenever it is represented to me that other corps adopt the march, I will stop it at once."

"Over the Hills and Far Away"

The Bugle-horn Regimental quick step in use in The Rifle Brigade since about 1805. The tune is an air from the "Beggars' Opera."

The march is invariably played by the buglers immediately before the band strikes up "I'm Ninety-five."

"The Duke of Connaught"

This is a slow march composed by HRH Princess Beatrice and presented by her to The Rifle Brigade to celebrate the appointment of HRH The Duke of Connaught as Colonel-in-Chief in 1880.

This appears most unusual as the slow march does not form part of The Rifle Brigade ceremonial.

The Regiment has, however, marched past in slow time. The last recorded occasion being in Ireland in 1881.

"Moneymusk"

The Regimental double march used when doubling past in close column of companies.

It's composer is unknown, but the

melody is a well known Highland air.

Among the men selected to form the Corps of Riflemen in 1801 were no less than 230 from Scottish Regiments. The 92nd foot (now 2 Bn Gordon Highlanders) even sent pipers!

There is very little doubt that "Moneymusk" was brought in by these Highlanders and has, therefore, been a Rifle Brigade march since the formation of the Regiment.

The Loyal Edmonton Regiment (Militia)

3rd Battalion

Princess Patricia's Canadian Light Infantry

In retrospect the "training year" was a good one. With the emphasis at summer camp on "individual training," the Regiment was able to qualify a number of NCO's and men in specialist weapons.

Strength remained at approximately the same level as the previous year, a fact that is causing some concern from a Militia standpoint both nationally and locally. It seems that Canada, with a magnificent military record in two World Wars, is plagued with a Militia recruiting problem that at times seems unsurmountable. The Regiment is, in some respects, no different from many other Militia units. We say in some respects

justifiably because the strength in out-of-town sub-units is satisfactory. In the city, "C" Company and Headquarters Company continued to function satisfactorily. "C" Company was again given the training role for 23 Militia Group recruits. Three complete recruit courses were ably conducted by Major Keith Wakefield, assisted by Lieutenants Bernie Stanton, George Nesbit, Jim Harrison, Jack Fleming and Officer Cadet Geoff Sainty. These officers carried out their duties with an enthusiasm that was hard to beat. Assistant Instructors were CSM Williams, Sergeants Wadsworth and Edgar, Corporals Wade and Trudell.

The Orderly Room, under the watchful eye of the Adjutant, Captain Tommy Clare, handled unit administration efficiently.

Lt. Col. R. A. Bradburn, ED, took a very active part in the Regiment's activities. During the year he carried out inspections of all out-of-town sub-units, a feat that involves a fair amount of travelling by everything but dog-team! His enthusiasm helped a great deal. Colonel Bradburn believes the recruiting problem can be licked if everyone works at it.

The Band has new "dress uniforms," worn for the first time at the Edmonton Exhibition Parade. Many favourable comments have been received from friends and strangers. Instrument work fully matches sartorial elegance and the Band has been busy playing for various unit functions and Militia Group parades. The Band played to an audience of over 1,000 persons at Griesbach during the summer and held several concerts in various city parks. The Regiment is grateful for the advice given, in connection with the uniforms, by Major Munro and Captain Gardner of PPCLI Depot. (There must be something that Captain Gardner doesn't know about military uniforms, but heaven knows what it is!) The modelling and Dress Reviews that preceded the manufacture of the uniforms would have done credit to Dior in all his glory.

Summer Camp at Wainwright, a phrase that somehow seems to hold terror for the uninitiated, was very successful. Training was conducted on an individual basis. Recruits took advanced infantry training and whilst they probably sweated a lot they also learned a lot. Officers not employed Regimentally went out on Tewt's, a nerve-wrecking

experience that is inclined to show how little one really knows! All in all everyone kept busy and came away feeling that Camp had been really worthwhile. Now that the winter is before us we have an opportunity of passing on the knowledge gained to the 1956 crop of recruits, and of adding to it for the inevitable promotion exams that will come with the spring.

Socially the summer was successful. The VE/Day Ball in May provided a very pleasant evening for all who attended. This function seems to grow from strength to strength and we were again happy to see several friends from the Depot with their ladies. Several Saturday evenings at Camp Harris were enlivened by Regimental parties. The Regimental Picnic was held at Camp Harris, following the GOC's Inspection in June, a function that always meets with popular approval. The Sergeants' Mess held several gatherings at Camp Harris. The furnishings in the Sergeants' Mess at Camp Harris would put any self respecting Country Club to shame. The work done by the faithful few in the last three years is at last beginning to pay off.

As we go forward into another year, none of us know what is in store for us. We all know that it will not be an easy one. If we can keep our enthusiasm, in the face of adversity, we can cope with anything.

We can justly be proud of the Regimental traditions and from those traditions we can draw strength in times of stress.

Princess Patricia's Canadian Light Infantry Cadet Corps

On 16 May, 1956, annual inspection of No. 2551 PPCLI Cadet Corps was carried out at Prince of Wales Armouries. Major H. G. Munro, Commanding Officer PPCLI Depot, accompanied by the adjutant, Captain O. Gardner, CD, inspected the Corps, which numbered 42, including the newly formed Cadet Drums. Presentation of certificates to successful candidates, attending winter courses in First Aid and Morse Signalling, was made. Demonstrations of skill at Wireless, First Aid, Bren handling and Physical Training were given. The evening concluded with refreshments for cadets and their relatives in PPCLI Depot Men's Mess.

Approximately 30 cadets attended camp at Vernon, B.C., during July and August. Progress of the Cadet Drums was outstanding.

Depot Instructors are to be congratulated for their voluntary assistance to the Corps.

Province of Alberta

EDMONTON

In the busy autumn of 1946, some 110,000 Edmontonians looked about their city with a sense of satisfaction, noting its record of solid achievement, its growing importance as a manufacturing and distributing centre for a multi-million dollar agricultural industry, its strategic position on the air lanes of the world and its new importance as the base for the Alaska Highway, northern developments and military operations.

In the still busier autumn of 1956, a quarter of a million metropolitan Edmontonians took stock of a city that has double in population and more than doubled in importance as an industrial centre during the past ten years.

The key to this tremendous decade of development was the discovery of oil near Leduc in 1947 and the subsequent growth of oil, natural gas and petro-chemical empires centred on Edmonton.

Petroleum production encouraged three major oil refineries to locate near the city. The \$224,000,000 Interprovincial Pipeline stretches from Edmonton to Sarnia, Ontario, and the Trans-Mountain Pipeline carries Alberta oil to the Pacific Coast. By the end of 1956 an estimated \$600,000,000 will have been invested in refineries, pipeline terminals, petro-chemical plants and other buildings and plants.

The petro-chemical industry, already attaining gigantic stature in Edmonton, is still only in its infant stages. The \$75,000,000 Canadian Chemical Plant and the \$15,000,000 plant of Canadian Industries Limited, (Edmonton) utilize natural gas to produce cellulose acetates, chemicals, yarns and polythene flake for both export and for use in secondary industries in the Edmonton area.

Other industries based on the primary products and by-products of the petro-chemical operations include plants producing polythene pipe and film, chlorine and caustic soda and sulphuric acid. The \$25,000,000 nickel refinery of Sherritt Gordon Mines Limited at Fort Saskatchewan, a few miles north of Edmonton, is another example of plant location determined by the availability of natural gas.

The \$12,000,000 plant of Inland Cement Company, the \$4,000,000 clinker plant of Canada Cement, the \$2,000,000 steel bar mill of Premier Steel Mills, the \$1,500,000 steel fabricating plant of Dominion Bridge Company and the \$7,000,000 pipe mill of Alberta Phoenix Tube and Pipe Limited are other examples of the tremendous capital investment diversified industries have brought to Edmonton.

ton is nearing completion. An \$8,000,000 steam power plant at Wabamun will provide an additional 320,000 k.w. of electrical energy for domestic and industrial use.

Nearly half the population of the entire province, close to half a million people, lives within a hundred miles of the city. The quarter of a million persons in the metropolitan area of Edmonton have one of the highest proportions of home ownership of any city on the continent and are second only to Los Angeles in the proportion of automobile ownership. Edmonton is a prosperous city.

This prosperity is solidly based on agriculture—Alberta's basic industry. The products of thousands of mixed farms find their way to Edmonton's marketing outlets and processing plants. Alberta's great agricultural industry contributes to Edmonton's economic stability, her

vigorous growth and balanced general prosperity.

New commercial construction in the city will pass the \$30,000,000 mark with many lofty office buildings scheduled to add new dignity to Edmonton's rising skyline. Three commanding new structures—the city hall, the provincial auditorium and the Federal building increase Edmonton's physical appearance and her importance in the fields of government and the arts. The facilities of the city grew during the past year with the opening of the new four lane Groat Bridge in the west end, completion of a large underground reservoir, a new telephone exchange, a new power plant generator and expansions to the sewer and transit systems.

As the "centre of the west" from nearly every point of view—industrial, agricultural, military, transportation and distribution, Edmonton's position as one of the major cities of the continent seems assured.

Lieutenant Colonel MacGregor F. MACINTOSH

MacGregor Macintosh joined the Regiment on 1 Sep, 15, from McGill University (McG 56). He was wounded at Regina Trench on 8 Oct, 16. Struck off strength on 12 Oct, 16, he was commissioned 5 Nov, 16, and served in England until the end of World War 1. He rejoined the Regiment as Lieutenant in Apr, 19, as a Permanent Force officer and served with "B" Company in Esquimalt until 21 Nov, 29, when he was retired to pension on medical grounds.

During World War II, he was recalled to the service in the rank of major and commanded training centres in Western Canada. He retired as a Lieutenant Colonel in 1946.

On the afternoon of 3 Aug, 55, he emplaned at Vancouver, B.C., bound for Kitimat to represent the Aluminum Company of Canada in two labor disputes. The Pacific Western Airlines custom-built, grey and red Mallard amphibian, on the final leg of the trip, took off from Kemano and has not been seen since.

The "Search and Rescue" unit of the Royal Canadian Air Force carried out an intensive search, hampered by rugged terrain and bloody weather. The area was searched a hundred times by plane and helicopter. Brigadier W. G. Colquhoun, CBE, MC, a close friend, offered his services as a spotter to the officer commanding search and rescue unit, RCAF and served tirelessly in this capacity for many days.

Pacific Western Airlines, the United States coast guard and a U.S. Squadron from the Prince Rupert coastal area assisted in the search. Trained mountaineers stood ready to go to work when the plane was located. The scene of disaster has not been found and Colonel Macintosh is presumed dead.

He was 58 years old. He is survived by four children; MacGregor, a fleet air arm observer stationed on the aircraft carrier Magnificent (who flew from Dartmouth to join the Nechako air search); Richard, a U.B.C. student; Margaret Jane, the wife of barrister Bruce Boyd; and Ian, a Victoria boarding school student. His wife, Margaret, resides at 3354 Radcliffe Avenue, West Vancouver.

SB 7381 Corporal Joseph Harrington MILLER

PPCLI Depot

On 5 Jun, 56, at Edson, Alberta, Corporal Miller, J. H., accidentally drowned in the McLeod River, whilst on duty.

PPCLI Depot formed part of the army contingent called out to combat fires in the Edson area at the request of the provincial government. There were no bridges in the area and it was necessary to ford the McLeod River to reach the fires. By 5 Jun, the river had risen to such an extent that fording was no longer possible and boats were required to cross the river. Due to a malfunction of the outboard motor on the second crossing, a load of four men and equipment was swept into a lifeline established down stream. The swift current caused the boat to capsize.

Corporal Miller was an assistant instructor of high calibre. He had served for more than two years with the Depot and was respected by his officers and comrades.

On 11 Jul, 56, a funeral service, conducted by Lt. Col. R. D. Wilkes, MC, CD, was held in Edmonton. The body was shipped to Ontario in the custody of his platoon commander, Lt. W. Jans. He was buried in Fairview Cemetery, Listowel, Ontario, with full military honours.

Corporal Miller is survived by his mother, Mrs. Annabelle Wood, of Palmerston, Ontario, and a brother, Trooper Miller, LdSH (RC) of Calgary, Alberta.

SH 205443 Pte. Gerard Leon SCHAMP
